Hinckley Family photographic album, late 19th century

MS. 35

Extent: 1 album with 50 photographic portraits (card photographs)

Scope and contents note: Leather bound album with metal clasps and cabinet card insert pages, 5 5/98 x 4 1/4;" elaborately carved gilt book block edges. Boards measure 6 x 4 1/2." The 50 photographs are albumen or gelatin prints on various size cabinet cards, and some tintypes. There is at least one process identified as mezzo-tint. Most are identified as members of the Hinckley family. Other surnames (relatives) are Crocker, Hallet, Crosby, Freeman, Nye and Lumbert. The album is annotated in pen with names on the insert pages.
